

Shafi Usmani

Front-End Developer

+92 3091183431 | shafek790@gmail.com | Karachi, Pakistan

PROFILE

Front-end developer with 8 months of formal training and 1 month of internship experience at NIST Karachi. Builds responsive, user-focused web interfaces using modern tools. Seeking a junior developer role to grow professionally.

EXPERIENCE

Front-End Developer Intern

National Institute of Skilled Training (NIST), Karachi | Jul 2024 – Aug 2024 (1 month)

- Built and tested web pages using HTML5, CSS3, and JavaScript.
- Applied Tailwind CSS and Bootstrap to create responsive layouts.
- Collaborated on React projects using Vite as the build tool.
- Used GitHub for version control and code collaboration.
- Worked under senior developers to improve code quality.

Front-End Development Trainee

National Institute of Skilled Training (NIST), Karachi | Jul 2024 – Mar 2025 (8 months) | Serial No: L2405281825

- Completed a structured 8-month front-end development program.
- Trained in HTML5, CSS3, JavaScript, Bootstrap, Tailwind, React, and Vite.
- Designed UI mockups and prototypes using Figma.
- Managed project repositories and submitted assignments via GitHub.
